

CLIFTON AND HARVEY STREET PAVING NOTICE

September 30, 2005

On Tuesday, October 4 and possibly into Wednesday, October 5, 2005

(weather permitting), the City's contractor, Strada Construction Co. will pave the surface of both Clifton Street (from Harvey St to Rindge Ave) and Harvey Street (from Mass Ave to Clifton St).

Please be advised that there will be traffic disruptions and periodic road closures during paving. If you have any *special need* or *disability*, please contact us to arrange for any special accommodations that will be necessary.

"No Parking" signs will be posted 24 hours in advance of all work. Please refrain from parking in affected areas during the posted work hours of 7 AM to 4 PM. Please note that parking restrictions will be in effect Monday, October 3 as well, while the contractor conducts crack sealing to prepare the roadway for paving.

During the next several weeks, the contractor will also construct a raised traffic calming device at the intersection of Clifton and Dudley Street.

We apologize in advance for any inconvenience that you may experience during this process, and hope you will enjoy these improvements to your neighborhood once they have been completed. If you have any questions regarding this work, please contact Hussein Musa, Project Manager, at (617) 349-4831/
hmusa@cambridgema.gov.

Sincerely,

Hussein Musa
Project Manager
